8th Renewable Energy India Expo(Asia's Largest & most Influential Renewable Energy Event)

Power Wind Ltd. is participating for the first time in 8th Renewable Energy India Expo with a Grand Pre Launch of its new product PW 100 (India's biggest Turbine) 2.5 MW Wind Turbine. The product will be showcased LIVE on a truck with all its equipments on the first day of the Expo i.e 3rd of Sept'14. It will surely be a golden moment for its Stakeholders and who are willing or looking for an opportunity to invest in the product.

Brief About the Company:

PowerWind Ltd. has been established in 2007 with objective of addressing the needs of the growing wind energy market in India and overseas by the way of supplying cost competitive wind energy equipment. POWERWIND LTD has a wide range of Wind Electric Generator (WEG) ranging from 500KW to 2.5MW. The company plans to

Ginni Bharti Sep 05, 2014

It was indeed a must watch exhibition. PW100 was the most remarkable exhibit out of entire exhibits at India Expo Centre.
